

Home Blessing Prayer

Heavenly Father, we glorify Your name and rejoice in Your goodness. We praise You for Your unwavering love and grace.

We ask for Your blessings upon this home and all who dwell within. May Your angels surround this home and protect all who reside here. Fill us with Your love and compassion.

Lord, make Your dwelling with us always. Grant us the necessities to live with dignity and guide our hearts towards Your promised blessings. May Mary Most Holy intercede for us.

We ask this through Christ our Lord, Amen.
